

Associate Content Development

As Associate, Content Development your role is to develop the Law Conference program to ensure that it stays relevant and interesting to our student delegates. In this role you are tasked with ensuring that the content is appropriately reflective of the diverse needs of Law students who may be interested in diverse fields of the law.

Core Responsibilities

- Responsible for developing interesting and topical content for panel discussions and booking moderators and panelists to participate.
- Work with Law Conference Team to find new and innovate ways to improve conference content
- Coordinate with the Sponsorship team to source interesting speakers for panels and workshops

Commitment

- ~5-10 hours per week
- Mandatory attendance at quarterly management meetings
- Mandatory attendance at Start Proud events and initiatives throughout the year.

Reports to

- Vice President, Law Conference
